

To Friends Old and New

We opened the Washington House Café over 25 years ago, and that's where we served our first breakfast. We've learned a few new things along the way but some things still hold true. We use only the best and freshest ingredients. We don't pre cook anything and almost everything we serve is made from scratch. Our coffee is specially roasted for us right next-door at Duvall's. We hope you enjoy your breakfast and the rest of your day.
